

We're Celebrating Our Centennial!

APRIL 2010

A symbol of renewal, the tulip represents a nod to our Dutch heritage which provided the roots for a century of growth for Highland and the promise of a bright future.

Centennial Events 2009-2010

Highland's Hundred Year History...Your Fifteen Minutes of Fame

The Centennial Committee wants to tell Highland's story. Please share your photos, videos, and stories for our Centennial Documentary project. A DVD will be produced for sale.

Do you have any stories about Highland or your life in Highland you can share? Did you see Calvin Coolidge in Wicker Park in 1927, or Paul Newman campaigning for Robert Kennedy in front of Hoosier Highlander in 1968, or Barack Obama in Wicker Park in 2008? Or maybe you witnessed something even more memorable. What is special about living in Highland? Are you a life-long resident? Have you always worked here? Have you performed in one of the many productions at Main Square Park?

Contact us before November 1, 2009. Drop photos off at Town Hall or Chamber office or call for pick up. Items will be returned.

Paint The Town Fuchsia!

Help Highland celebrate our 100th birthday! Show your community pride by planting the official Highland Centennial Tulip. This long-lasting, fuchsia tulip will grow to 20" in height and will bloom in late April-early May. **To ensure a burst of community spirit in the spring, all bulbs must be planted this fall.**

Centennial Garden

A special garden will bloom next spring for everyone in Highland to enjoy. Nearly 500 square feet of plantings will be prominently displayed in front of Town Hall, dominated by the official Centennial Tulip—then later in the spring enjoy a beautiful perennial garden designed and cultivated by area gardeners, celebrating a century of community in one highly visible spot! A tribute to our first century for years to come.
